We do offer two alternatives to our standard traditional funeral service for those families that may wish for a simpler service or those where cost is the main consideration.

The Basic funeral £1,650 plus usual disbursements

This very simple service consists of all major elements of a funeral service including our professional fees, bringing the deceased into our care, a plain coffin, chapel of rest visitation within normal office hours, a hearse only direct to the local crematorium or cemetery graveside, all at a time that is convenient to us. No other elements can be added to this service.

The Unattended funeral £1,550 including disbursements

This service is a direct disposition and is not a traditional funeral service, therefore no mourners attend the cremation and there is no service. We will bring the deceased into our care from a local address during normal office hours (outside office hours and additional fee of £200 is payable), we provide a simple coffin, transport the deceased to a crematorium of our choice in a private ambulance at a day and time of our choosing when it is most convenient for us within 14 days of completion of the necessary paperwork. Disbursements such as the Doctor's fee (if applicable) and the crematorium fee are included within this package. The full cost of the service must be paid in advance.

Payment Terms

Our terms are 30 days from the date of our invoice. All of our charges exclude disbursements; these are the fees that we pay on the clients' behalf to third party providers such as cemeteries, crematoriums, clergy, officiant, doctors, florists etc. We respectfully request that these fees are paid 48 hours after the funeral is arranged. **If you have any difficulties or concerns regarding the payment of our charges or the disbursements please raise this with your funeral arranger as soon as possible as we are here to help and advise.**

*Prices are correct at the time of printing January 2017, but may be subject to variation due to changes or improvements in specification. All products and services are subject to availability. E. & O. E.
